Rich Cook was present and discussed an Interlocal Agreement between McPherson County and Logan County for Veteran’s Service.
 The agreement will provide for the cooperative provision of services to veterans in the respective counties. The purpose of the cooperative agreement shall be to permit the Logan County Veteran’s Service Officer to serve as the McPherson County Veteran’s Service Officer. This agreement shall commence July 1, 2024, for a term of one year. McPherson County shall pay Logan County the sum of \$1649.00 per year for the initial term of this agreement. Cindy Gregg was appointed to the Fair Board for a three-year term to expire in 2027. The Commissioners are still looking for someone to fill one remaining vacancy on the board. Bryant made a motion to appoint County Sheriff KC Bang as McPherson County Emergency Manager, effective April 1, 2024. Arensdorf seconded. Voting Aye: Bryant and Arensdorf. Voting Nay: None.

At 9:30 AM, Bryant moved to recess the Board of Commissioner’s Meeting and resolve itself as Board of Equalization. Arensdorf seconded. Voting Aye: Bryant and Arensdorf. Voting Nay: None. Those present were, Board members Jeff Arensdorf and John Bryant, County Attorney Whitney Lindstedt, Highway Superintendent Tom Werblow, Sheriff KC Bang, Deputy Tom Burch, Treasurer Kerri Kramer, and Clerk/Assessor Kathy Hoberg.
 The board reviewed the 421 Permissive Exemption applications for 2024. There were five applications reviewed. The assessor recommended approval of all applications. Bryant moved to approve all the applications as presented. Arensdorf seconded. Voting Aye: Bryant and Arensdorf. Voting Nay: None.
 The Board of Equalization was adjourned at 9:45 AM and the regular session of the Board of Commissioners commenced.

At 10:00 AM the board discussed the proposed collaboration between the McPherson County Board of Commissioners and the McPherson County Board of Education. The Board of Commissioners was asked by the Board of Education to review and sign a **Community Engagement Service Agreement** with the Nebraska Association of School Boards. “The NASB provides services to Nebraska public leadership to strengthen community development and offers a Community Engagement Service in which to engage stakeholders in a community’s vision to support quality of life.” The agreement would have been for a term of one year, unless extended by agreement of the parties, with an estimated fee of \$2500.00 not including reasonable travel expenses. The agreement was discussed at length with the county attorney. The Board does offer their full support to the school, and projects that will benefit the school district and McPherson County. However, because the school board has signed a Community Engagement Service Agreement with the NASB, the commissioners feel it would be a duplication of services to enter into this agreement. Motion made by Bryant to reject this proposal. Motion seconded by Arensdorf. Voting Aye: Bryant and Arensdorf. Voting Nay: None.

The commissioners discussed roads with Ed Black. Ed reported that the road department has been filling holes, adding cover, and repairing roads.

The commissioners voiced their appreciation and gratitude to Adams Bank & Trust for the grant. The Soddy Road Project is much needed and the grant greatly benefits McPherson County.

Arensdorf made a motion to accept the April Road Plan, presented by Bryant, with the addition of adding an auto gate and raising the road on Gragg Drive. Bryant seconded. Voting Aye: Arensdorf and Bryant. Voting Nay: None.

The commissioners reviewed a proposal submitted by Figgins Construction for repairs and armor coating on Soddy Road. There was no action taken on the proposal.

This will allow the commissioners to attend the Budget Workshop and Board Workshop in Kearney from June 12-14. The clerk will also attend the Budget Workshop and Clerk's Workshop in Kearney on these dates. Arensdorf seconded. Voting Aye: Bryant and Arensdorf. Voting Nay: None.
